

Study session, Thursday August 8th, 2013

Last Modified: 5th August, 2013, 9:27 AM

This Thursday (August 8th 2013) class will be held at the Starbucks coffee house near the gym.

The location is across from the gas station at the corner of Highway 141 & Gravois Bluffs.

This will give everyone a chance to brush up on their history & terminology prior to the test this weekend.

We will also stay cool & relaxed so no one gets dented before the test.

Maybe we'll even get ice cream at Maggie Moo's next door afterwards.
