

## **Thurs 2014-Jan-09 class at CODA Martial Arts**

Last Modified: 9th January, 2014, 1:34 PM

Our pal, JC Natalie kindly agreed to let us join him at the CODA facility tonight.

This is where we normally hold black belt tests. It is in the back of an industrial park, about 3 miles from the garage.

I will try to be there by about 17:30 (5:30 pm). If you are coming out, please drive safe.

CODA is a heated facility with mats - no shoes except wrestling or kung-fu -type shoes on the mats.

Come in uniform with your belt if you can, since they wear belts.
