Hello!

I am contacting you because you are a current or past member of the United States Ju-Jitsu Federation (USJJF). We wanted to let you know that there has been a change in Ju-Jitsu in the USA. The USJJF is no longer a JJIF Member nor are they the recognized governing body for the USA.

The Ju-Jitsu International Federation has recognized the United States Ju-Jitsu Organization (USJJO) as the National Jujitsu Member of the USA and as the recognized Governing Body for Jujitsu in the USA. Follow this link to see the JJIF letter to the USJJO and the USJJO Press Release: <http://usjjo.org/usjjo-national-governing-body-ju-jitsu-usa/>

We would like have you join our organization and participate in any manner that would benefit you, your organization and your students.
