

You can find anything on eBay - even stuff I didn't know I lost

Last Modified: 30th April, 2014, 11:19 AM

I found this on eBay today.

I really like that emblem in the top center...

I do not recall approving use of the logo for eBay deployment and I sure did not get Attribution or credit!

The chinese on the left (for chu'an-fa / kempo) looks pretty sloppy too.
